September 1, 2008 - Plaza Athenee, Bangkok – Long time relationship between 2 parties once again brought the Mr. Mock Pak

Lum, CEO of Media Corp Technologies to recently visited TCCT Data Centers.

Right after the visit, both 1-NET(Media Corp's wholly owned subsidiary) and TCCT executives teams initiated the brainstorming session in order to draft the key elements of the DC alliance body defining the core commercial and technical standpoint of the Data Center Alliance.

The result will later be discussed among the rest of the members in Data Center Alliance, which including 4 countries, AIMS (Malaysia), CMC (Vitenam), 1-NET (Singapore) and TCCT (Thailand).
